BUSINESS BROKERAGE AT WORK FOR

PRIMARY CRE Business Brokerage is a highly experienced and knowledgeable trusted advisor. We provide dedicated service and solutions to achieve buying or selling a business throughout the entire process until success, with the best terms possible.

Honest Business Evaluations. We recommend pricing based on sound value to attract good faith buyers. We ask the tough questions early in the process.

Confidential executive memo's for each listing for mass distribution. Aggressive advertising via websites, social media, and proactive outreach.

Broad advanced screening so your personal and business financial information is not distributed to unqualified or disingenuous buyers.

Collaboration with attorneys, CPA's, business brokers, commercial brokers, and agents.

Network with multiple local and regional lenders for qualified buyers needing financing.

If selling real property with your business, we will co-list with our commercial brokers to maximize exposure on BizBuySell, BizQuest, Loopnet, Primary CRE and other sites.

Our leasing experts can help buyers negotiate new terms which will be necessary for a successful sale of your business.

We carry Errors & Omissions insurance to fully protect all parties.

Competitive commission rates for higher priced businesses.

Want to know the value of your business? This fee-based service is fully refundable when you list with PRIMARY CRE and the business sells. Contact us today!

PRIMARY CRE

Nick Brunson is a 2nd generation Nevadan who earned a Bachelor's in Management degree from UNR in 1988 and MBA in 2003. His extensive career ranges from being a small business owner along with working in building homes, corporate sales, marketing, and business consulting capacities. He was an adjunct professor in UNR's college of business from 2009-2019 and also taught a business broker continuing education class approved by the Nevada Real Estate Division.

Nick worked as a commercial and residential Realtor from 2003-2009 and began a Business Broker career in 2018. At Primary CRE, he will be providing business appraisal services and will specialize in confidentially listing and selling highly profitable businesses across all industries.
